**LIVING AND LAUGHING
GOLDEN YEARS**

Premium **SENIOR LIVING** Community - Ownership Basis

Times are changing so are lifestyles. Senior living options are definitely on the rise in India, particularly in the past few years, propelled by the growth of nuclear families with children living abroad or away from their parents. The increase in the number of seniors who are financially independent who prize their freedom and wish to lead an active life have also resulted in the growth of senior citizen homes.

Welcome to Brindavan Residency, an independent retirement community in Coimbatore, conveniently located at Puthupalayam, 6 kms from Vadavalli on Thondamuthur road, annexed to our phase 3 - Brindavan Paradise. It has close proximity to Western Ring road. It is right next to multispecialty hospital. It is enabled with essential, emergency and comfort lifestyle services to make senior people comfortable, peaceful and address the most urgent needs of elders-safety and security, food, health and social recreation. OUR STRENGTH "SIMPLICITY AND EARNEST DESIRE TO SERVE FELLOW HUMAN BEINGS" IS AS GOOD AS SERVING GOD.

Brindavan provides the best of both what nature and modern life can offer, a resort style living. A combination of city home and farmhouse in a clean green environment within the city limits. Coimbatore, with its salubrious climate and modern facilities is an ideal location for senior citizens to spend their life in peace and harmony. Brindavan Residency will present a picturesque landscape – swaying coconut palms against the backdrop of mountains providing an serene and peaceful atmosphere. Free of noise and air pollution, the stretch of area in and around the campus will be apt for daily walks. It will also be vibrant with frequent visits of children, grandchildren, relatives and guests thus a delight to the residents. Enjoy a life where responsibilities have been taken care of.
